Guidelines for Submission of Abstracts

1. The abstract must present original research or work that has not been previously published or presented at another conference.
2. All abstracts must be scientific in nature and address an appropriate topic of discussion without inclusion of commercial messages or inappropriate references to specific products, services, or commercial concerns.
3. Plagiarism in any form will lead to rejection.
4. The abstract should align with the conference theme.
5. Submissions outside the scope of the conference may not be considered.
6. The abstract should typically be between 250–300 words (unless otherwise specified).
7. Do not include references, tables, figures, or charts in the abstract.
8. The abstract should clearly include: Title of the paper, Author(s) name(s), Affiliation(s) and email address of the corresponding author, Background, Objective, Methodology, Key results or findings, Conclusion / implications of the study
9. Use Times New Roman, font size 12, with 1.15 or 1.5 line spacing.
10. Title should be in bold, with sentence or title case.
11. Abstracts must be written in clear and concise English.
12. Authors are responsible for grammar and spelling accuracy.
13. Provide 3–5 keywords immediately after the abstract. Keywords should reflect the core content of the paper.
14. Abstracts must be submitted through the official conference submission before the deadline.
15. Late submissions will not be accepted.
16. **Last Date of Submission of Abstracts is 1st March 2026**
17. All abstracts will be reviewed by the conference review committee.
18. Acceptance or rejection will be communicated via email.
